

THE ORGANISATION

Our client is a donor funded organization and development partner in Namibia that works closely with the Ministry of Health and Social Services' (MoHSS) Directorate of Special Programmes (DSP). They promote activities that increase human capacity for providing HIV/AIDS clinical care and support and assist with the development of health care worker systems that are locally-determined, optimally resourced, highly responsive and self-sustaining in countries and regions hardest hit by the AIDS epidemic. In partnership with the MoHSS, staff are deployed at hospitals and health facilities across the country to form part of a coordinated effort. They now seek to appoint appropriately qualified and experienced candidates to fill the following positions:

THE BACKGROUND

The Ministry of Health and Social Services is planning the implementation of the expanded national response to HIV/AIDS, TB and Malaria and has the mandate to coordinate the National Response to HIV/AIDS/TB/Malaria. Government and several development partners have committed an increased amount of resources to its operationalization. It is therefore important that such resources bring about positive returns through achievement of the strategic results and outcomes as outlined in different programme activity plans and to demonstrate the effectiveness of programmes both at the national level as well as regional and district levels.
