

THE ORGANISATION

Our client is a donor funded organisation and partner in development in Namibia that works closely with the Ministry of Health and Social Services' (MoHSS) Directorate of Special Programmes (DSP). Our client's goals are to promote activities that increase human capacity for providing HIV/AIDS clinical care in countries and regions that are most significantly impacted by the AIDS epidemic as well as to support and assist such countries and regions in their development of locally-determined health care worker systems that are optimally resourced, highly responsive, and self-sustaining. In partnership with the MoHSS and as part of a coordinated effort, our client deploys staff at hospitals and health facilities across the country. Our client is currently in search of appropriately qualified and experienced candidates to fill the following positions:

Pharmacist Assistant

Okaku Clinic – Oshana Region x1, Rehoboth – Hardap Region x1, Mariental – Hardap Region x1, Assenkehr – Karas Region x1, Mahenene Clinic – Omusati Region x1, Omungwelume Clinic – Ohangwena Region x1, Oshikunde Clinic – Ohangwena Region x1

THE POSITION

As a Pharmacist Assistant, the successful candidates will be responsible for ensuring continuous availability of antiretroviral (ARV) medicine, Rapid Test Kits (RTK), and dispensing ART prescriptions.

KEY AREAS OF FOCUS

- Ensure continuous availability of ARVs and other pharmaceutical commodities at the facility
- Timely ordering of HIV/TB pharmaceutical commodities
- Dispense ART prescriptions
- Data capturing using available tools
- Participation in the development of district/regional budgets and plans
- Compilation of monthly and annual ART reports
- Collaboration with other healthcare workers and MoHSS partners in the HIV response sector regarding service delivery
- Participation in clinical team training and technical supervisory support visits
- Serve as a link between the facility's pharmacy department and the district/regional pharmacist regarding ART pharmaceutical services
- Support the roll out and use of the Electronic Dispensing Tool (EDT)
- Perform other lawful and reasonable duties as assigned by the supervisor

THE PERSON

MINIMUM REQUIREMENTS

- A minimum of 1 years' experience
- Diploma in Pharmaceutical Technology.
- Pharmacist registration with the Pharmacy Council of Namibia
- Valid practicing card
- Knowledge of and experience in ART and EDT
